## Interior Countertops: Recommended Materials

<table>
<thead>
<tr>
<th>Group 1</th>
<th>Group 2</th>
<th>Group 3</th>
<th>Group 4</th>
</tr>
</thead>
<tbody>
<tr>
<td>HQ, Command, ECFs, Chapels</td>
<td>Admin. Squad Ops, Community Support</td>
<td>Industrial and Flightline Operations</td>
<td>Family Housing</td>
</tr>
</tbody>
</table>

### General Notes:
2. Thoroughly evaluate the material's performance: durability to withstand operations and ability to endure weathering in the local climate.
3. Solid Surface: Manufactured polymer material such as Corian.
