IFS Photography Shot List / Graphics (illustrations) List

A. OVERVIEW
A03. Facility Districts (Recommended: Large graphics: 800px x 440px)
Base Map with Facility Districts

B. INSTALLATION ELEMENTS

B01. COMPREHENSIVE PLANNING
B01.1. Installation Development Plan (IDP) (Recommended: Large graphics: 800px x 440px and Small graphics or images: 250px x 188px)

- Comprehensive Plan image or diagram
- Historical photos of base (1–3 small images: 250px x 188px)
- Future development image or diagram

B02. STREET ENVELOPE STANDARDS
B02.1. Hierarchy of Streets (Recommended: Large graphics: 800px x 440px)

- Arterial Streets cross-section and plans
- Collector Streets cross-section and plans
- Local Streets cross-section and plans
- Special Routes cross-section and plans

B02.2. Hierarchy of Intersections (Recommended: Small graphics or images: 250px x 188px)

- Arterials (1–3 small images: 250px x 188px)
- Arterial/Collector (1–3 small images: 250px x 188px)
- Collectors (1–3 small images: 250px x 188px)
- Special Intersections (1–3 small images: 250px x 188px)
- Street Frontage Requirements (1–3 small images: 250px x 188px)
- Sight Lines (1–3 small images: 250px x 188px)

B02.3. Street Elements (Recommended: Small images: 250px x 188px)

- Paving (1–3 small images: 250px x 188px)
- Curb and Gutter (1–3 small images: 250px x 188px)
- Utility Service Elements (1–3 small images: 250px x 188px)
- Traffic Signs (1–3 small images: 250px x 188px)
- Street Lighting (1–3 small images: 250px x 188px)

B03. Open Space / Public Space

B03.1. Plazas, Monuments and Static Displays (Recommended: Small graphics or images: 250px x 188px)

- Paved Plazas (1–3 small images: 250px x 188px)
- Sculptures, Markers and Statuary (1–3 small images: 250px x 188px)
- Static Display of Aircraft (1–3 small images: 250px x 188px)

B03.2. Grounds and Perimeters (Recommended: Small graphics or images: 250px x 188px)

- Parade Grounds (1–3 small images: 250px x 188px)
- Parks (1–3 small images: 250px x 188px)
- Preserves (1–3 small images: 250px x 188px)
- Perimeter Fence (1–3 small images: 250px x 188px)

C. SITE DEVELOPMENT

C01. Site Design / NEPA

C01.1. Site Design Considerations (Recommended: Small graphics or images: 250px x 188px)

C01.2. Building Orientation (Recommended: Small graphics or images: 250px x 188px)

C02. Utilities

C02.1. Utility Components (Recommended: Small graphics or images: 250px x 188px)

- Group 1 (1. Overall utilities systems, 2. Utilities features, 3. Utilities detail)
- Group 2 (1. Overall utilities systems, 2. Utilities features, 3. Utilities detail)
- Group 3 (1. Overall utilities systems, 2. Utilities features, 3. Utilities detail)
- Group 4 (1. Overall utilities systems, 2. Utilities features, 3. Utilities detail)

C03. Parking Areas

C03.1. Configurations and Design (Recommended: Large graphic or image: 800px x 440px)

- Group 1 (1. Overall parking area, 2. Parking features, 3. Parking detail)
- Group 2 (1. Overall parking area, 2. Parking features, 3. Parking detail)
- Group 3 (1. Overall parking area, 2. Parking features, 3. Parking detail)
- Group 4 (1. Overall parking area, 2. Parking features, 3. Parking detail)
- Paving and Striping (1–3 small images: 250px x 188px)
- Curbing (1–3 small images: 250px x 188px)
- Internal Islands and Medians (1–3 small images: 250px x 188px)

C03.2. Parking Structures (Recommended: Small graphics or images: 250px x 188px)

C03.2. Connectivity (Recommended: Small graphics or images: 250px x 188px)

C04. Stormwater Management

C04.1. Stormwater Requirements (Recommended: Small graphics or images: 250px x 188px)

- Group 1 (1. Overall stormwater system, 2. Stormwater features, 3. Stormwater detail)
- Group 2 (1. Overall stormwater system, 2. Stormwater features, 3. Stormwater detail)
- Group 3 (1. Overall stormwater system, 2. Stormwater features, 3. Stormwater detail)
- Group 4 (1. Overall stormwater system, 2. Stormwater features, 3. Stormwater detail)

C05. Sidewalks, Bikeways and Trails

C05.1. Circulation and Paving (Recommended: Small graphics or images: 250px x 188px)

- Group 1 (1. Overall sidewalks, bikeways and trails system, 2. Features, 3. Detail)
- Group 2 (1. Overall sidewalks, bikeways and trails system, 2. Features, 3. Detail)
- Group 3 (1. Overall sidewalks, bikeways and trails system, 2. Features, 3. Detail)

- Group 4 (1. Overall sidewalks, bikeways and trails system, 2. Features, 3. Detail)
- Ramps and Stairs (1–3 small images: 250px x 188px)

C06. Landscape

C06.1. Climate-based Materials (Recommended: Small graphics or images: 250px x 188px)
(Provide links to Plant Lists graphic charts)

- Landscape Design Concept (1–3 small images: 250px x 188px)
- Xeriscape Design Principles (1–3 small images: 250px x 188px)
- Minimizing Water Requirements (1–3 small images: 250px x 188px)
- Plant Material Selection (1–3 small images: 250px x 188px)
- Water Budgeting (Hydrozones) (1–3 small images: 250px x 188px)
- Base Entrance Landscaping (1–3 small images: 250px x 188px)
- Streetscape Landscaping (1–3 small images: 250px x 188px)
- Pedestrian Circulation Landscaping (1–3 small images: 250px x 188px)
- Parking Lot Landscaping (1–3 small images: 250px x 188px)
- Screen/Accent Landscaping (1–3 small images: 250px x 188px)

C07. Site Furnishings
C07.1. Furnishings and Elements (Recommended: Small graphics or images: 250px x 188px)
(1. Overall site furnishings system, 2. Site furnishings features, 3. Site furnishings detail)

- Barbeque Grills Stairs (1 small image for each type: 250px x 188px)
- Benches (1 small image for each type: 250px x 188px)
- Bike Racks (1 small image for each type: 250px x 188px)
- Bike Lockers (1 small image for each type: 250px x 188px)
- Bollards (1 small image for each type: 250px x 188px)
- Bus Shelters (1 small image for each type: 250px x 188px)
- Drinking Fountains (1 small image for each type: 250px x 188px)
- Dumpster Enclosures / Gates (1 small image for each type: 250px x 188px)
- Fencing (1 small image for each type: 250px x 188px)
- Flagpoles (1 small image for each type: 250px x 188px)
- Lighting – Landscape / Accent (1 small image for each type: 250px x 188px)
- Little and Ash Receptacles (1 small image for each type: 250px x 188px)
- Picnic Tables (1 small image for each type: 250px x 188px)
- Planters – Free Standing (1 small image for each type: 250px x 188px)
- Play Equipment (1 small image for each type: 250px x 188px)
- Screen Walls (1 small image for each type: 250px x 188px)
- Tree Grates (1 small image for each type: 250px x 188px)

C08. Exterior Signs

C08.1. Colors and Types (Recommended: Small graphics or images: 250px x 188px)
(1. Overall sign system, 2. Sign features, 3. Sign detail)

Materials and Color Specifications (1 small image for each type: 250px x 188px)
Installation and Gate Identification Signs (1 small image for each type: 250px x 188px)
Building Identification Signs (1 small image for each type: 250px x 188px)
Traffic Control Devices (Street Signs) (1 small image for each type: 250px x 188px)
Directional and Wayfinding Signs (1 small image for each type: 250px x 188px)
Informational Signs (1 small image for each type: 250px x 188px)
Motivational Signs (1 small image for each type: 250px x 188px)

Parking Lot Signs (1 small image for each type: 250px x 188px)
Regulatory Signs (1 small image for each type: 250px x 188px)

C09. Lighting

C09.1. Fixtures and Lamping (Recommended: Small graphics or images: 250px x 188px)
(1. Overall lighting system, 2. Lighting features, 3. Lighting detail)

C09.2. Light Fixture Types (Recommended: Small graphics or images: 250px x 188px)
Street Lighting (1 small image for each type: 250px x 188px)
Parking Lot Lighting (1 small image for each type: 250px x 188px)
Lighted Bollards (1 small image for each type: 250px x 188px)
Sidewalk Lighting (1 small image for each type: 250px x 188px)
Walls / Stairs Lighting (1 small image for each type: 250px x 188px)

D. FACILITIES EXTERIORS

D03. Architectural Features (Recommended: Small graphics or images: 250px x 188px)
Group 1 (1. Overall facility architecture, 2. Primary Feature, 3. Architectural Detail)
Group 2 (1. Overall facility architecture, 2. Primary Feature, 3. Architectural Detail)
Group 3 (1. Overall facility architecture, 2. Primary Feature, 3. Architectural Detail)
Group 4 (1. Overall facility architecture, 2. Primary Feature, 3. Architectural Detail)

C04. Building Entrances (Recommended: Small graphics or images: 250px x 188px)
Group 1 (1. Overall facility showing entrance, 2. Primary Entrance, 3. Secondary Entrance)
Group 2 (1. Overall facility showing entrance, 2. Primary Entrance, 3. Secondary Entrance)
Group 3 (1. Overall facility showing entrance, 2. Primary Entrance, 3. Secondary Entrance)
Group 4 (1. Overall facility showing entrance, 2. Primary Entrance, 3. Secondary Entrance)

D05. Wall Systems (Recommended: Small graphics or images: 250px x 188px)
Group 1 (1. Overall facility showing materials, 2. Wall showing primary material, 3. Wall showing secondary material)
Group 2 (1. Overall facility showing materials, 2. Wall showing primary material, 3. Wall showing secondary material)
Group 3 (1. Overall facility showing materials, 2. Wall showing primary material, 3. Wall showing secondary material)
Group 4 (1. Overall facility showing materials, 2. Wall showing primary material, 3. Wall showing secondary material)

D06. Doors And Windows (Recommended: Small graphics or images: 250px x 188px)
Group 1 (1. Facility showing doors and windows, 2. Window system, 3.Door system)
Group 2 (1. Facility showing doors and windows, 2. Window system, 3.Door system)
Group 3 (1. Facility showing doors and windows, 2. Window system, 3.Door system)
Group 4 (1. Facility showing doors and windows, 2. Window system, 3.Door system)

D07. Roof Systems (Recommended: Small graphics or images: 250px x 188px)
Group 1 (1. Facility showing roof, 2. Roof features, 3. Roof Detail)
Group 2 (1. Facility showing roof, 2. Roof features, 3. Roof Detail)
Group 3 (1. Facility showing roof, 2. Roof features, 3. Roof Detail)
Group 4 (1. Facility showing roof, 2. Roof features, 3. Roof Detail)

D08. Structural Systems (Recommended: Small graphics or images: 250px x 188px)

Group 1 (1. Facility showing structure, 2. Structural features, 3. Structural Detail)
Group 2 (1. Facility showing structure, 2. Structural features, 3. Structural Detail)
Group 3 (1. Facility showing structure, 2. Structural features, 3. Structural Detail)
Group 4 (1. Facility showing structure, 2. Structural features, 3. Structural Detail)

D09. Mechanical, Electrical and Plumbing (Recommended: Small graphics or images: 250px x 188px)
(These may be interior images)
Group 1 (1. Facility showing MEP, 2. MEP features, 3. MEP Detail)
Group 2 (1. Facility showing MEP, 2. MEP features, 3. MEP Detail)
Group 3 (1. Facility showing MEP, 2. MEP features, 3. MEP Detail)
Group 4 (1. Facility showing MEP, 2. MEP features, 3. MEP Detail)

E. FACILITIES INTERIORS (Recommended: Small graphics or images: 250px x 188px)
Group 1 (1. Typical facility interior, 2. Interior features, 3. Interior detail)
Group 2 (1. Typical facility interior, 2. Interior features, 3. Interior detail)
Group 3 (1. Typical facility interior, 2. Interior features, 3. Interior detail)
Group 4 (1. Typical facility interior, 2. Interior features, 3. Interior detail)

E01. Building Configurations

E01.1. Layout and Common Areas
- Interior Design Process
- Codes and Regulations

E01.2. Quality and Comfort

E02. Floors

E02.1. Floor Materials (Provide only those images that are applicable)
- Prepared Slabs (1 small image for each type: 250px x 188px)
- Natural Stone and Terrazzo (1 small image for each type: 250px x 188px)
- Quarry Tile (1 small image for each type: 250px x 188px)
- Ceramic Tile (1 small image for each type: 250px x 188px)
- Resilient Floor (1 small image for each type: 250px x 188px)
- Carpet (1 small image for each type: 250px x 188px)
- Rapidly-Renewable Products (1 small image for each type: 250px x 188px)

E03. Walls

E03.1. Wall Materials (Provide only those images that are applicable)
(Provide 1 small image for each type: 250px x 188px)
E03.1. 1. Concrete
E03.1. 2. Masonry
E03.1. 3. Ceramic Tile
E03.1. 4. Gypsum Board
E03.1. 5. Metal Panels
E03.1. 6. Wood Paneling
E03.1. 7. Rapidly-Renewable Products

E04. Ceilings

E04.1. Ceiling Materials (Provide only those images that are applicable)
(Provide 1 small image for each type: 250px x 188px)
E04.1.1. Exposed Framing (Roof / Floor Structure Above)
E04.1.2. Exposed Concrete
E04.1.3. Grid and Acoustical Tile
E04.1.4. Gypsum Board
E04.1.5. Metal Panels
E04.1.6. Wood
E04.1.7. Rapidly-Renewable Products

E05. Doors And Windows

E05.1. Doors and Windows and Frames Materials (Provide only those images that are applicable)
(Provide 1 small image for each type: 250px x 188px)
E05.1.1. Aluminum
E05.1.2. Hollow Metal
E05.1.3. Wood

E06. Casework Systems

E06.1. Casework Materials (Provide only those images that are applicable)
(Provide 1 small image for each type: 250px x 188px)
E06.1.1. Plastic Laminate
E06.1.1. Solid Polymer Surface
E06.1.1. Rapidly-Renewable Products
E06.1.1. Metal

E06.2. Countertop Materials (Provide only those images that are applicable)
(Provide 1 small image for each type: 250px x 188px)
E06.2.1. Plastic Laminate
E06.2.1. Solid Polymer Surface
E06.2.1. Natural Stone
E06.2.1. Cast Stone
E06.2.1. Metal

E07. Furnishings

E07.1. Durability and Serviceability (Provide only those images that are applicable)
(Provide 1 small image for each type: 250px x 188px)

E07.2. Accessories (Provide only those images that are applicable)
(Provide 1 small image for each type: 250px x 188px)

E07.3. Types and Color (Provide only those images that are applicable)
(Provide 1 small image for each type: 250px x 188px)

E08. Interior Signs

E08.1 Types and Color (Provide only those images that are applicable)
(Provide 1 small image for each type: 250px x 188px)

E08.2. Interior Signs Materials (Provide only those images that are applicable)

(Provide 1 small image for each type: 250px x 188px)

E09. Lighting, Power and Communication

E09.1. Functionality and Efficiency (Provide only those images that are applicable)
(Provide 1 small image for each type: 250px x 188px)

E09.2. Types and Color (Provide only those images that are applicable)
(Provide 1 small image for each type: 250px x 188px)

F. APPENDIX
F01. (NAME OF DISTRICT, i.e., HISTORICAL AREA)
Group # (Recommended Images)
Group 1 (1. Overall facility architecture, 2. Primary Feature, 3. Architectural Detail)

Group # (Recommended Images)
Group 1 (1. Overall facility architecture, 2. Primary Feature, 3. Architectural Detail)
Group 2 (1. Overall facility architecture, 2. Primary Feature, 3. Architectural Detail)
Group 3 (1. Overall facility architecture, 2. Primary Feature, 3. Architectural Detail)
Group 4 (1. Overall facility architecture, 2. Primary Feature, 3. Architectural Detail)
